I tell clients that it's my job to take the legal problems off their plate, so they can focus on their job and business. I find it extremely rewarding when I can interpret the law for my clients in a way that makes sense, and then help them strategize for greater success. I also enjoy learning about my clients' businesses. It's fascinating to learn about industries outside my own.

When I'm not working, I enjoy hiking, traveling, and obsessing over Notre Dame football (Go Irish!). I also serve on the Board of Boys & Girls Club of Grand Rapids, as well as on committees for Family Promise of Grand Rapids—both of which give me perspective and inspire me to work hard, so I can give back to others.
