I am a dedicated litigation attorney with a passion toward efficiently resolving client disputes and making their lives easier. My guiding principles are relentless advocacy, strategic planning, and unending preparation. While I am equally adept at negotiating early resolutions and taking cases to verdict, I am a trial lawyer at my core and having the opportunity to present my client's case to a court and the jury is the best part about my job.

I was born and raised in the Grand Rapids area and have returned to the west side after a hiatus for law school and to work in the beer and cheese capital of the world: Wisconsin. Despite my dual loyalties, Sparty will always be #1 in my heart. In my free time, you will likely find me on the water fishing or kayaking.
