Helping people navigate legal challenges and reach effective resolutions is what I find most rewarding about practicing law. I enjoy the problem-solving aspect of the work and focus on building trust through clear communication, thoughtful analysis, and practical guidance at every stage.

Outside of the office, I enjoy staying active and making the most of my time with friends and family. You can often find me in the gym or playing sports, and in the fall, you will likely find me in East Lansing cheering on the Spartans.
