Not everyone can get excited about energy law and aviation law, but I guess that's what makes me unique. An avid and curious learner, I'm always seeking a deeper understanding so that I can help companies across the oil and gas industry overcome their greatest legal challenges.

Outside of Mike Meyers, I serve as Treasurer of the Aviation Law Section Council of the State Bar of Michigan. I'm also a member of the Legal and Legislative Committee for the Michigan Oil and Gas Association and on the Board of Directors for CDS Lakeshore Head Start.
