When hiring a service provider, whether it be a mechanic, a financial adviser, or a lawyer, the basic bargain should always be the same: You should get a job well done at a fair price. That's what I strive to deliver for my clients when they entrust me to handle a legal matter. A job well done starts with a thorough analysis of the situation and candid advice on what to do next. Whatever that next step is, I'm invested in bringing about the best possible outcome for my clients.
